While You're Here

Check-In

Check-in is on Monday between **9:15-10:45am**. When you arrive follow the signs to the office and registration area for the check-in process.

Medications and Inhalers

Please do not pack any medications in your student's luggage. All medication must be turned over to the medical staff upon arrival. If your student requires prescription medications while at camp, please bring an adequate supply of the medication in the original, clearly labeled prescription container and check it in with the Medical Staff. State Law prohibits us from accepting medications in any other pill case or container. Medications are secured in our health office and distributed according to instructions by the Medical Staff. There is no need to send Tylenol or other over-the-counter remedies. We keep a supply of these items in our health office in case your student needs treatment. Please also refrain from sending vitamins or other non-prescription medications that are not essential for maintaining your student's health during their stay. If they use an inhaler, please send two inhalers—one for the counselor to carry during the day and one to be kept in the health office for back-up.

Prohibited Items Inspection:

For safety purposes your student's bags will be checked in their presence by a staff member for any prohibited items. Those items will be given to their Parent/Guardian before they leave or collected and returned at the end of the week. Please pack only the allowed items for their stay! (See "What To Bring" list in Pre-Arrival Package)

Communicating with Your Student

Every day during camp we will load pictures in the "PathfindersYouthCamp" facebook fan page, in the album section, and on Waldo. If you would like to be a part just "Like" the PathfindersYouthCamp facebook fan page, and/or follow the instructions to get your students pictures from Waldo. See website for direct link www.pathfindersonline.com. Check daily during camp to see what's happening with your child at camp! Feel free to tag their photos and leave comments. Postal mail and care packages are not recommended as they often arrive too late.

Visits and phone calls are strongly discouraged for students because it promotes homesickness. If you would like to send a note to your child feel free to email parent@pathfindersonline.com. If your student brings a cell phone to turn in, they will get a chance to use it each evening for approximately 30 min after chapel, about 8:30.

"Path Bucks" Spending Money

Students can deposit money into the camp bank for snacks, shirts, and gifts at The Narrow Path Canteen. Shirts and gifts range from \$8-\$20 and most snacks are \$1 or less.

Health & Safety

At Pathfinders your student's safety is our #1 priority. While danger is inherent in any adventure activity, Pathfinders seeks to minimize that danger through well-designed courses, top-of-the-line equipment, and well-trained staff. All adventure courses are professionally designed and independently inspected. All summer staff members receive training prior to camp that emphasizes physical and emotional safety for students. Pathfinders maintains an infirmary with a licensed nurse or other trained medical professionals available.

Withdrawal

If your student must withdraw from a program before the session ends, no refund will be given. Pathfinders reserves the right to dismiss anyone without refund whose conduct is not in the best interest of other participants.

Vehicles

Your student's personal vehicle is not permitted on the premises during their stay. Please make arrangements to bring and pick up your students.

NEW POLICY:

We are allowing students to bring their cell phones if desired, however they will need to turn them in at registration. We will be giving the students their phones back to use during canteen time and then recollecting each night. If students do not hand them back in and they are found by a staff member their phones will be held for the remainder of their camp week.
